EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Anastasia Zhadina on May 11, 2005.

The application has been amended as follows:

- a. Please see the attached sheets for amendments to the claims.

Allowable Subject Matter

2. Claims 11-13, 16, and 19-46 are allowed.

3. The following is an examiner's statement of reasons for allowance: Prior art fails to teach or fairly suggest an image pickup apparatus, a control method adapted for an image pickup apparatus, or a computer-readable medium storing a computer-readable program adapted for an image pickup apparatus, in combination with the other elements claimed, comprising:

- a. A processing device which, in a state where displaying of the current photo-taken image is kept by the display device, applies a processing operation which is selected by a user among a plurality of predetermined processing

operations to the current photo-taken image the displaying which is kept (claim 1).

b. Displaying a current photo-taken image obtained by a photo-taken operation in response to the photo-taken operation, keeping displaying of the current photo-taken image, and, in a state where displaying of the current photo-taken image is kept, applying a predetermined processing operation to the current photo-taken image the displaying of which is kept (claims 16 and 19).

c. A processing device which, in a state where displaying of the current photo-taken image is kept by the display device, applies a predetermined processing operation to the current photo-taken image the displaying of which is kept (claim 38).

d. A processing device which, in a state where displaying of the current photo-taken image is kept by the display device, applies a predetermined processing operation which changes a first displaying state to a second displaying state to the current photo-taken image the displaying of which is kept (claim 44).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
